

How To Order

After determining your requirements, please inform us of the following:

1.- Quantities, types, and varieties of products desired

2.- Phytosanitary requirements of your agricultural department

3.- Preferred Shipping F.O.B

Upon receipt of the forgoing information we will do the following:

1.- Issue a formal proposal (Pro Forma Invoice).

2.- Reserve required items for you only after receipt of full advance payment and import permit.

3.- Upon shipment, provide you with invoice, packing list, Official Phytosanitary Certificate.

4.- After all charges have been determined, send a final invoice charging you for any shortages or reimbursing you for any over-payment.

*1- These prices are F.O.B Ventura, California, and do not include packaging, documentation, lab testing, air freight, inland freight, or insurance charges. Terms of Payment: Full price must be paid to confirm an order.

*2- Certified means that avocado plants have been grown under special sanitary conditions. These conform to California Department of Agriculture standards and practices designed to protect against infection by *Phytophthora cinnamomi* (root rot). All avocado liners are Certified. The term Certified described above does not imply any warranty on the part of Brokaw Nursery against any plant disease.
